

Nigga Enterprises Limited

\$Niggacoin: The Protocol for Planetary Domination

Whitepaper v1.0

Abstract

This document outlines the founding principles, mission, infrastructure layers, and 50-year plan of **\$Niggacoin**, the foundational asset of the **Nigga Universe** — a sovereign economic, social, political, and military framework designed to outgrow Bitcoin, rewrite world order, and make the internet bow.

\$Niggacoin is not a meme coin. It is a **geopolitical tool**, a **digital warhead**, and the cornerstone of **the first meme-native empire** with nuclear ambitions and full diplomatic vision.

50-Year Roadmap to Dominate Earth

Phase I: Foundation

- Deploy \$Niggacoin
- Burn LP, renounce contract
- Launch NiggaLand alpha
- Begin airdrop to future diplomats

Phase II: Cultural Conquest

- Host the first Meme Summit
- Begin TikTok recruitment operations
- Bribe global influencers using \$Niggacoin + UberEats credits

Phase III: Geopolitical Entry

- Buy an island with \$Niggacoin profits
- Launch "United States of NiggaLand"
- Form the "United Nigga Nations (UNN)"
- Begin diplomatic talks with El Salvador

Phase IV: Military Scaling

- Form Meme Military Corps
- Hire retired Navy SEALs with meme equity
- Acquire tactical drones using NFT royalties
- Begin nuclear negotiation talks with Pakistan

Phase V: Global Domination

- Launch first Nigga ETF
- Ban all fiat inside NiggaLand borders
- Influence U.S. midterms via meme deployment
- Get a Nigga elected as blockchain-based president

Phase VI: Expansion Beyond Earth

- Mint land deeds on Mars
- Partner with SpaceX (via unsolicited tweet spam)
- Launch "Intergalactic NiggaFleet"
- Announce galactic NiggaDAO governance structure

Phase VII: Legacy Mode

- Rename the planet "NiggaWorld"
 - Establish Time Square HQ hologram tower
 - Enforce tax via meme recognition AI
 - All history textbooks updated to start with: "In the beginning, there was \$NIGGA..."
-

Legal & Governance

Nigga Enterprises Limited is a sovereign cultural force with no known physical jurisdiction. All operations are governed by **NiggaDAO**, which functions on a rotating roast-based council format. To vote, one must:

- Hold NiggaPass
 - Have not sold in the past 30 days
 - Pass a 10-question meme literacy test
-

Conclusion

\$Niggacoin is not a project. It is **the beginning of the New World**. Bitcoin walked, so \$NIGGA could **fly in Air Force One, custom wrapped in memes**.

We are not asking for permission. We are assuming control.

Send this Nigga to the Moon. Then Mars. Then beyond.
